Bathroom Furniture

Naturally with you

En VISO pensamos en ti. En tus mañanas lentas y en las que van demasiado rápido, en los gestos pequeños que sostienen tus días y en ese instante en el que el agua y la luz parecen entenderte mejor que nadie. Creamos espacios que acompañan tu manera de vivir, muebles que escuchan, materiales que permanecen y una calma que nace, simplemente, de estar en casa. Seguimos creyendo en lo que nos inspira: el diseño honesto, el bienestar diario y la armonía que nace de las cosas bien hechas.

At VISO, we think about you. We think about your slow mornings and those that go by too quickly, the small gestures that make up your days, and those moments when water and light seem to understand you better than anyone else. We create spaces that complement your lifestyle, furniture that listens, materials that last, and a sense of calm that comes simply from being at home. We continue to believe in what inspires us: honest design, everyday well-being, and the harmony that comes from things done well.

Naturally sensitive

Hay instantes en los que el mundo queda lejos. El agua recorre tu piel y el tiempo aprende a detenerse, como si el baño fuera un refugio secreto donde vuelves a escucharte. Aquí, cada gesto te devuelve algo que habías perdido: claridad, serenidad, una presencia más tuya. Porque cuidar el cuerpo también es cuidar lo que te sostiene por dentro, y en esta intimidad cotidiana se restaura la fuerza de vivir.

There are moments when the world seems far away. Water runs over your skin and time learns to stand still, as if the bathroom were a secret refuge where you can hear yourself again. Here, every gesture brings back something you had lost: clarity, serenity, a greater sense of self. Because caring for your body also means caring for what sustains you inside, and in this daily intimacy, the strength to live is restored.

Naturally VISO

Y para que ese bienestar sea real, trabajamos cada día en el desarrollo de nuevos diseños que se adapten a todos los estilos de baño y mantengan una excelente relación calidad-precio. Aportamos flexibilidad y soluciones ágiles gracias a nuestro equipo de producto, nuestras líneas de fabricación automatizadas y el control exhaustivo de cada proceso. Así garantizamos la máxima calidad y durabilidad, avaladas por auditorías internas y externas que aseguran que cada pieza VISO acompañe tu vida durante mucho tiempo.

And to ensure that this well-being is real, we work every day to develop new designs that adapt to all bathroom styles and provide excellent value for money. We offer flexibility and agile solutions thanks to our product team, our automated production lines and the exhaustive control of each process. This is how we guarantee maximum quality and durability, backed by internal and external audits that ensure that every VISO piece will accompany you throughout your life.

Onda

Onda nace donde la luz se curva. Suaviza los contornos, invita al tiempo lento y transforma el espacio en una orilla íntima donde todo descansa.

Onda is born where light curves. It softens contours, invites time to slow down and transforms space into an intimate shore where everything rests.

Hay piezas que parecen respirar calma. Kyoto es una de ellas: pura, ligera y equilibrada. Su presencia transforma el espacio sin imponerse, simplemente habitándolo.

There are pieces that seem to exude calm. Kyoto is one of them: pure, light and balanced. Its presence transforms the space without imposing itself, simply inhabiting it.

Indico

Indico mira hacia dentro: materia tranquila, tacto que acompaña, líneas que guardan silencio. Un refugio cercano, capaz de devolvernos al centro sin esfuerzo.

Indico looks inward: calm matter, accompanying touch, silent lines. A nearby refuge, capable of effortlessly drawing us back to the centre.

Delta

Delta recoge la memoria de los pliegues: aristas suaves, tiempo detenido. Allí, cada gesto encuentra forma, y la calma se posa sobre lo cotidiano.

Delta captures the memory of folds: soft edges, time standing still. There, every gesture finds form, and calm settles over everyday life.

Aqua

Aqua guarda la memoria de la madera:
vetas lentas, frescor tenue. En su calma,
el baño se vuelve origen y cuidado.

*Aqua preserves the memory of wood:
slow grain, subtle freshness. In its calm,
the bathroom becomes a place of origin

Verso

Verso guarda la belleza de lo discreto: líneas que no reclaman, luz baja que demora el tiempo. Allí, el cuidado se escribe despacio, casi sin pronunciarse.

Verso preserves the beauty of discretion: unassuming lines, soft lighting that slows down time. There, care is written slowly, almost without being pronounced.

Nido

Nido protege lo pequeño: rincón cercano, luz recogida, ritmo que acompaña. Allí, el agua y las manos encuentran un ritual propio, sencillo, casi secreto.

Nido protects the small: a cosy corner, soft lighting, a soothing rhythm. There, water and hands find their own simple, almost secret ritual.

Basic

Basic descifra lo diario sin adornos: bordes francos, luz directa, orden que no exige. En su silencio cabe todo, incluso lo que aún no sabemos.

Basic deciphers the everyday without embellishment: clean edges, direct light, order that does not demand. Its silence encompasses everything, even what we do not yet know.

+VISO

Viso es tacto, presencia, gesto compartido. No es solo baño: es cuidado que permanece, materia que escucha y acompaña la vida desde lo íntimo

Viso is touch, presence, shared gestures. It is not just a bathroom: it is care that remains, material that listens and accompanies life from a place of intimacy.

Espejos

En VISO entendemos el espejo como un espacio de encuentro. Un lugar donde la luz acompaña, el reflejo calma y cada gesto cotidiano cobra sentido.

At VISO, we understand the mirror as a meeting place of encounter. A space where light accompanies, reflection soothes, and everyday gestures gain meaning.

We are eco

Fabricación positiva con el Medio Ambiente

La sostenibilidad y la preocupación por el medio ambiente son tan importantes como la calidad de nuestros productos.

Misma calidad con un plus de higiene

Utilizamos para nuestros muebles lacados pintura antibacterias, elaborada con iones de plata, sin ningún efecto perjudicial para la salud y efectiva durante toda la vida del mueble.

Concienciados por el futuro

Estamos comprometidos con el reciclaje en cada etapa de la cadena de suministro, asegurando el uso óptimo de recursos y mediante protocolos para el reciclado de madera y pinturas. Además, nuestros embalajes están compuestos por cartón reciclado y en lugar de plástico, utilizamos tejido sin tejer. Material reutilizable y 100% reciclable.

Nuestra energía

Disponemos de 1.280 paneles solares para evitar la emisión de más de 6.000 toneladas de CO2 al cielo. Esta reducción de emisiones se corresponde con una plantación de más de 12.000 árboles o el equivalente a 30 estadios de fútbol.

Environmentally Positive Manufacturing

Sustainability and concern for the environment are as important as the quality of our products.

The same quality with a plus of hygiene

We use antibacterial paint for our lacquered furniture, made with silver ions, which has no harmful effect on health and is effective throughout the unit's whole life.

Conscientious about the future

We are committed to recycling at every stage of the supply chain, ensuring the optimal use of resources and through protocols for the recycling of wood and paints. In addition, our packaging is made from recycled cardboard and, instead of plastic, we use non-woven fabric. A reusable and 100% recyclable material.

Our energy

We have 1,280 solar panels to avoid the emission of more than 6,000 tonnes of CO2. This reduction in emissions corresponds to planting more than 12,000 trees or the equivalent of 30 football stadiums.

Que el Medio Ambiente no pase de moda

Reciclar, reducir los residuos, mantener la calidad del aire, implementar políticas empresariales sostenibles, no debería ser una moda.

Trabajamos para minimizar nuestro impacto en el medio ambiente a través de procesos productivos y certificados como son FSC y PEFC.

Certificaciones Forestales a nivel de internacional que aseguran una sostenibilidad forestal con perspectiva local y que genera beneficio para todos. Todos nuestros productos cumplen con la normativa TSCA-EPA, este reglamento supone un mayor control y reducción de las sustancias tóxicas en los tableros.

Certificado CE

Para todos nuestros productos utilizamos materias y componentes procedentes de proveedores certificados y homologados más importantes de Europa. Otorgando a nuestros productos la máxima calidad en la fabricación, acabados y funcionamiento.

Don't let the environment go out of fashion
